WARNING

Failure to follow these warnings and instructions could result in serious injury or death.

- **NEVER** leave your child unattended.
- **ALWAYS** properly harness the child in the Joie infant car seat.
- **ONLY** use the adapter style that specifically fits your stroller as identified in your stroller manual; adapter fit alone does not indicate compatibility.
- **DO NOT** exceed the maximum weight limit specified for the Joie infant car seat.
- **DO NOT** use the handle of the car seat to push the stroller.
- **The infant car seat and ring adapter** may present a pinching hazard. Ensure that all fingers are clear of the ring adapter when attaching the ring adapter and when attaching the car seat to the ring adapter. Ensure that all parts are locked in place before allowing your child near the stroller.

WARNING

Failure to follow these warnings and instructions could result in serious injury or death.

- **Check that the ring adapter and the infant car seat** are securely attached before every use by pulling up on them after attachment.
- **Read all warnings and instructions** included with your stroller and Joie infant car seat.
- **Suffocation Risk:** Remove all plastic covers before using the ring adapter. Destroy these covers or keep them completely out of the reach of children.
- **Avoid Finger Entrapment:** Use care when folding and unfolding the stroller. Ensure the stroller is fully erected and locked before allowing your child near the stroller.
- **Strangulation Hazard:** Keep the car seat adapter out of the reach of children when it is not installed on the stroller.

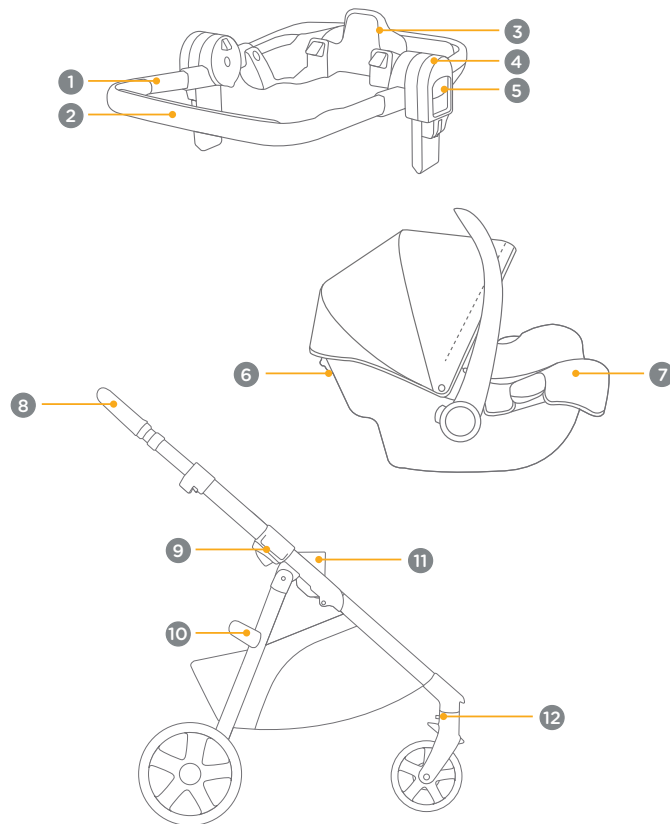

Parts List:

Attaching & Detaching Ring Adapter:

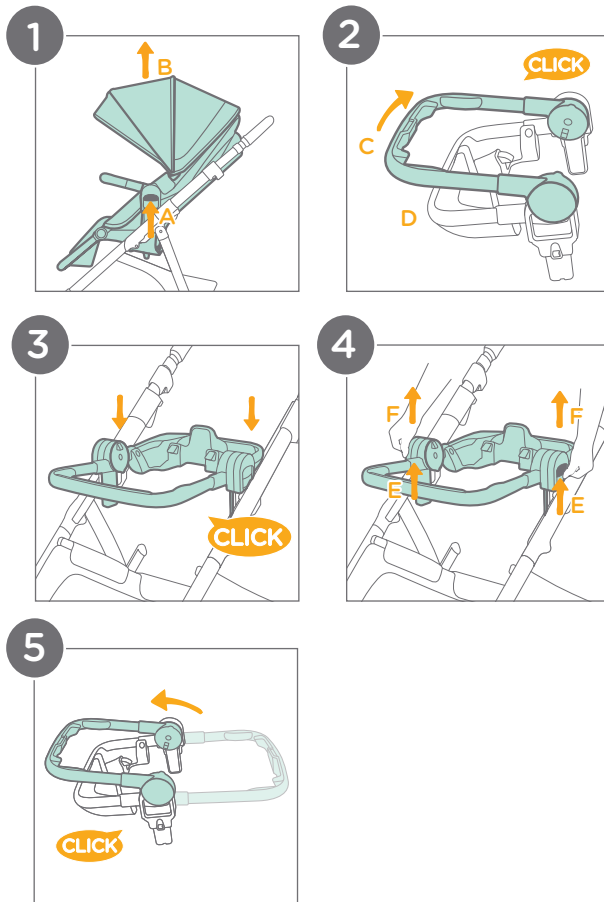

Attaching the Ring Adapter:

- 1 - Remove the stroller seat by squeezing the seat release buttons (A) on both sides of the seat. Lift the seat up (B).
- 2 - Open the ring adapter by rotating the head-end bar (C) while holding down the foot-end (D). Hear or feel a **CLICK** to confirm that the ring adapter is fully open.
- 3 - Attach the ring adapter to the seat mounts with the foot-end underneath the handlebar. Hear or feel a **CLICK** to confirm that the ring adapter is properly locked in place.

IMPORTANT: ALWAYS check that the ring adapter is securely attached to the stroller by pulling up on the ring adapter mounts.

Detaching the Ring Adapter:

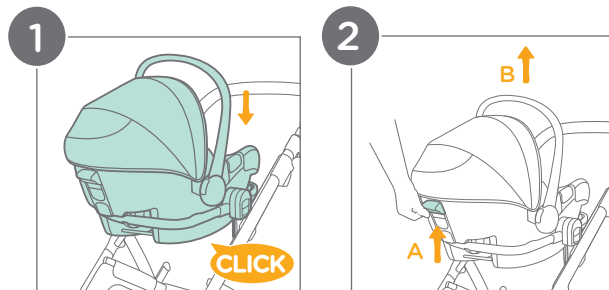

- 4 - To remove the ring adapter, squeeze the ring adapter release buttons on both sides (E), then lift the ring adapter upwards (F).
- 5 - To fold the ring adapter for storage, rotate the head-end bar towards the foot-end. Hear or feel a **CLICK** to confirm that the ring adapter is fully closed.

Attaching & Detaching Joie Infant Car Seat:

Attaching the Joie Infant Car Seat:

- 1 - Attach the infant car seat by placing the car seat onto the ring adapter. Hear or feel a **CLICK** to confirm that the car seat is properly locked in place.

Detaching the Joie Infant Car Seat:

- 2 - To remove the infant car seat, squeeze the car seat release lever (A) then lift the car seat upwards (B).

Note: Your infant car seat or stroller may differ slightly from the models shown.

IMPORTANT: Fall Hazard: ALWAYS check that the infant car seat is securely attached to the ring adapter by pulling up on the car seat.

ALWAYS secure your child with the car seat harness when using the car seat.

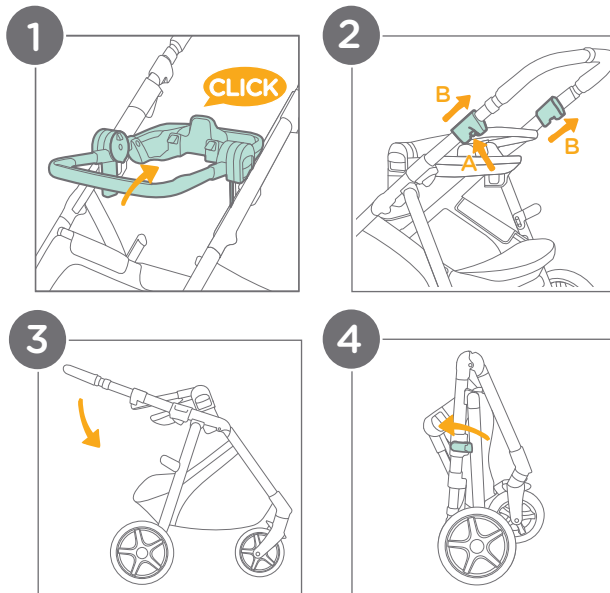

Folding Stroller with Ring Adapter Attached:

Before folding, ensure that the front swivel locks are disengaged on the stroller.

- 1 - Pull up on the head-end bar of the ring adapter to fold the ring adapter. Hear or feel a **CLICK** to confirm that the ring adapter is completely folded.
- 2 - Press in the secondary fold lock button located on the left fold release tab (A). Pull upwards on both fold release tabs (B) simultaneously and hold them in position.
- 3 - Push down on the handlebar to fold the stroller. If the stroller seat mount height is not in the highest position, it will slide to the highest position.
- 4 - The fold latch will engage automatically when the stroller is fully folded.

For additional folding details, reference your stroller manual.

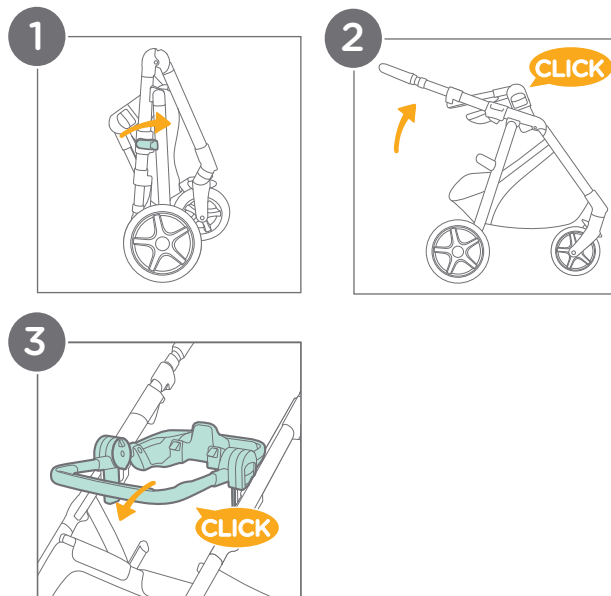

IMPORTANT: DO NOT fold the stroller while the car seat is attached.

Unfolding Stroller with Ring Adapter Attached:

- 1 - Separate the storage latch from the storage mount.
- 2 - Lift the handlebar upwards. Hear or feel a **CLICK** to confirm that the stroller is completely open.
- 3 - Open the ring adapter by rotating the head-end bar (A) away from the foot end (B). Hear or feel a **CLICK** to confirm that the ring adapter is fully open.

IMPORTANT: Check that the stroller is completely open by pushing down on the handlebar.

Care & Maintenance:

Cleaning:

Wipe clean with a solution of warm water and mild household soap. Avoid bleach and harsh detergents.

Plastic parts: Periodically wipe clean with a damp cloth.

Metal parts: After contact with water, thoroughly dry the metal parts to prevent rust.

Maintenance:

Regular inspection: Check the ring adapter regularly for wear or loose or missing parts. Discontinue use if parts are worn, loose, broken, or missing.

Care & Maintenance:

Storage:

Extreme weather exposure: Avoid excessive sun or heat exposure to prevent fading or warping of parts. Avoid storing outside or in cold conditions.

If the product will not be in use for a long period of time, store it where your child cannot access it.

Beach Use:

After beach use: Thoroughly clean the stroller and ring adapter to remove sand and salt from the mechanisms and wheels. This helps to prevent rust.

Effortlessly happy.
